### **Intimate Issues for Women**

Is it possible to be a godly and sensuous wife? Would you like to understand what God's desire is for you and your husband?

Many women have certainly asked themselves many of these questions.

- ✦ How can I remain faithful in a faithless world?
- ✦ How can I recapture the passion I once had?
- ✦ How can I put the sizzle back in sex?
- ✦ How can I enjoy sex when I don't like my body?
- ✦ What's not okay in bed?
- ✦ How do I get over the guilt of past sexual sins?
- ✦ What do I do when I don't want to do it?

During a one-day seminar, or a weekend retreat setting, Ruth presents a closer look at these questions and more to help you understand what God intended for you in your marriage relationship.

The authors of "Intimate Issues," Linda Dillow and Lorraine Pintus have compiled the top twenty-one questions about sex that have been most frequently asked by Christian wives, as determined by a nationwide poll of over one thousand women. Through their insight you will learn to discern what is best in your marriage as you seek the wisdom of God.

Ruth and the authors have researched the scriptures, other reputable resources and have answers for your questions. All of this is presented in a non-threatening format so that you are able to come away with a better understanding of God's special plan for you. It is our desire to have you empowered to become the wife you desire to be.

Society has stolen our joy of intimacy by turning it into something "dirty." The Church as often touted intimacy as being "taboo." This is NOT God's view.

May God bless you as you make the commitment to make a difference in your marriage.
